Special Announcements

Canstruction

The Board is considering a 'Canstruction' event as a means of promoting the AIA and raising resources for the local food bank. It would help to have several teams involved - preferably one from each local firm. We have tentative commitments from the Food Bank, the local AIAS Chapter and the Michigan Historic Preservation Network.

Please look at the website below and contact Dan Bollman if you are interested in participating as the primary contact from your firm. If you are a sole proprietor and wish to participate, we'll try to assemble a team of singles as well.

For Canstruction examples go to <http://www.canstruction.com/>
