Special Announcements

Canstruction

The Board is considering a 'Canstruction' event as a means of promoting the AIA and raising resources for the local food bank. It would help to have several teams involved - preferably one from each local firm. We have tentative commitments from the Food Bank, the local AIAS Chapter and the Michigan Historic Preservation Network.

Please look at the website below and contact Dan Bollman if you are interested in participating as the primary contact from your firm. If you are a sole proprietor and wish to participate, we'll try to assemble a team of singles as well.

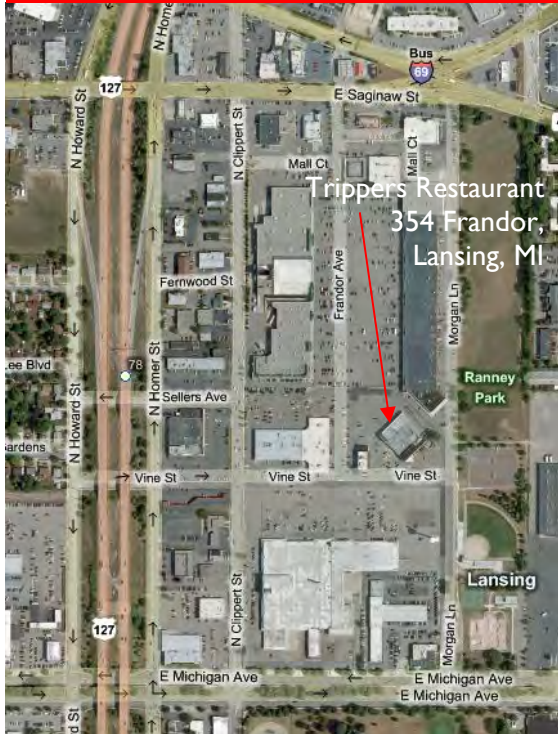

For Canstruction examples go to <http://www.canstruction.com/>

Visitor Parking

Visitor parking is via nearby meters, in the City of Lansing North Capitol Parking Structure located one block north of the building, or in the City of Lansing parking lot at the corner of Seymour Street and Shiawassee Street, approximately one block northwest of the building. Handicap accessible parking is in the rear of the building.

USGBC LEED-NC CIRCLE MEETING

PLEASE NOTE: the LEED-NC Interest Circle meeting this month will begin at the Christman Building, 208 N. Capitol Avenue, Lansing MI 48933, with a presentation/discussion of the Accident Fund LEED Design Submittals, viewing of the required Safety Program video and then we will walk (3 blocks) to the site and tour the project. Directions and a map are attached. *Please wear leather boots or hiking type shoes and bring a hardhat and safety glasses if you have them.*
