

AIA Northern Michigan Lunch Presentation

When: Wednesday, June 24—Noon

Where: LOTUS ROOM LOWER LEVEL / RED GINGER

Presenter/Sponsor: Azek building products

Description: Due to increasing dissatisfaction with wood trim products, the building industry has embraced cellular PVC as the future of trim. This course will educate the architect on what cellular PVC is, how cellular PVC trim products are used in the building industry, and why cellular PVC is the perfect wood replacement product.

*AIA/CES Registered Provider Program

**Please RSVP (if you haven't already done so) by responding to John Kerridge at john@kerridgeconstruction.com
