

AIA Michigan Monday's Minutes

Cathy Mosley, Hon. Aff. AIAMI
Executive Director

January 13, 2014
Edition 1.2

Happy Monday!

I hope everyone is having a great start to their week, especially now that the Polar Vortex has moved on and the weather is back to normal!

Just a reminder: we have a great opportunity for intern architects to learn more about the licensure process coming up on the 23rd of this month! The A.R.E. Forum

is free to attend, so check out the flyer below and email [Christine](#) with any questions. The Leadership Retreat just around the corner as well, so please email [Evelyn](#) if you have any questions.

The Health Facilities Planning Seminar is in Traverse City this year on March 20-21st, and we have two ways you can be involved in this successful event: become a sponsor and/or submit your project presentation. This is our "last call" for these opportunities, so please read about them in the following articles and respond ASAP!

Registration for the Health Facilities event will open online this afternoon and the brochure will be in the mail this week! Also, the continuing education segments have been approved and we are happy to announce that this event offers 6.5 LU hours and 5 HSW hours!

Have a great week and remember to contact me anytime with your ideas or if you would like to join a committee!

Cathy Mosley, Hon. Aff. AIAMI
AIA Michigan Executive Director

CAM's Michigan Construction & Design Tradeshow

The Michigan Construction & Design Tradeshow will return to MotorCity Casino Hotel in Detroit on February 5, 2014. This tradeshow, sponsored by the Construction Association of Michigan (CAM), and will be attended by construction owners, contractors, suppliers, architects and engineers. Show hours are 9:00 am to 4:30 pm. A great opportunity for our AIA Members to attend, the tradeshow registration is **FREE!** Click [here](#) for more information at to register.

ESD Future City Competition

Future City is a cross-curricular educational program where students in 6th, 7th and 8th grades imagine, design, and build cities of the future.

Over four months, students work as a team with an educator and volunteer mentor to design a virtual city using SimCity software; research and write an essay addressing this year's theme; build a model of their city using recycled materials; write a

brief narrative promoting their city; and present their city before a panel of judges at a Regional Competition in January. Regional winners go on to represent their region at the national competition in Washington, DC, in February.

This year's competition will take place on January 27th at the Suburban Collection Showplace, Novi, MI. For details, visit the ESD competition page [here](#).

Great Lakes Masonry Expo 2014

The 2014 Great Lakes Masonry Expo will be held Wednesday, February 12, 2014 from 10:00 AM to 4:30 PM at the Laural Manor in Livonia. There will be product representatives and exhibits, AIA CES classes, and lunch. If you are interested, please visit the [event site](#) for more information and to register!

Health Facilities: Become a Sponsor!

The Health Facilities Conference, held in conjunction with the State of Michigan, is a successful event each year for our organization and this year is the second year that the conference is open to Sponsorship.

We already have a number of great Sponsors committed to this event but we would like to extend this opportunity to the entire membership while there are a few spots still available! Click [here](#) to download the Sponsorship form. You still have time to make the online recognition deadline date of February 1st, so don't delay!

Health Facilities: Call for Project Presentations

Submit your project presentation to be featured at the Health Facilities Conference in March! See the documents below for details and call the office with any questions you may have!

47th Michigan Health Facilities Planning Seminar - 2014 Project Presentation

Call for Entries

Due Date: Wednesday, February 5, 2014

The Michigan Health Facilities Planning Seminar Project Presentation Subcommittee is seeking submittals for our **47th Seminar** scheduled for Thursday & Friday, **March 20th & 21st, 2014 at the Grand Traverse Resort in Traverse City, Michigan.**

Because the presentation of projects continues to be a resounding success, we are again offering this opportunity to highlight the leading edge of design work being done by Michigan Architects. As always, your participation is needed to make this feature a continued success.

This year we are again requesting that the review submittal be in **electronic PDF format.**

What is new this year is that the **final approved project presentation will be included in electronic format** on the seminar website for viewing. You will also be allowed to display a panel of the **approved** project page at the seminar.

All panels must be made from half (1/2) inch thick foam board (Gatorboard), 24" x 24" in size. **It will be your responsibility to transport the panels to the seminar location.** Easels will be provided for the display of the panels.

There will no longer be the need to submit 400 printed copies as required in the past, saving printing costs and minimizing environmental impact.

The Criteria for Submittal is:

- A **\$200.00 submission fee**, payable by check, money order or credit card, is required for each PDF formatted, project file submitted for approval. **If submitted after the Due Date, an added \$100.00 late submission fee will be required for each project page.**
- The submitting Architect/Architectural Firm **must be** licensed to do work in Michigan.
- The Project must have been completed or occupied no earlier than January 2009.
- If under construction, the project must be scheduled for occupancy by December 2014.
- We wish to stress that **each of these project files is to be geared to the presentation of ONE INDIVIDUAL health care project.** It is **NOT** the committee's intent or desire that these be general advertisements for each firm.
- Multiple listings of projects in one submittal **will not be accepted.**
- A maximum of **three** projects per Architect/Architectural Firm will be permitted.
- The orientation of the page must be in **landscape** format.
- Color or black and white graphics is at your option.
- The project file must include the project information noted as "required" on the submittal form.
- **Please limit the size of the PDF file to 5MB.**

Please Send Your Entry Form and Payment To:

Evelyn Dougherty	email: evelyn@aiami.com		
AIA - Michigan		Telephone: 313-965-4100	
553 E. Jefferson		Fax: 313-965-1501	
Detroit, Michigan 48226			

Clearly mark your submittal: **47th Health Facilities Planning Seminar - 2014, Project Presentation Submittal**

Please Send Your Entry Form and the PDF File and/or direct any questions to:

Julia F. Herschelman AIA	
Telephone: (248)551-3632	
Fax Number: (248)551-3624	
E-mail: jherschelman@beaumont.edu	

**47th Michigan Health Facilities Planning Seminar - 2014
Project Presentation**

Submittal Form

Due Date: Wednesday, February 5, 2014

- **Please complete one submittal form for each project submitted.**
- By Wednesday, February 5, 2014, please submit your submittal form & fee to Evelyn Dougherty (evelyn@aiami.com) at the AIA Michigan Offices and e-mail your submittal form & project PDF file to jherschelman@beaumont.edu for review.
- By Friday, February 14, 2014, you will be contacted if any revisions or enhancements are required for your submissions.
- By no later than Wednesday, February 26, 2014, receipt of the approved electronic file will be required at the AIA - Michigan Offices.

AIA + 2030 Professional Series

The AIA+2030 Professional Series begins Sept 26th and helps design professionals create buildings that meet the ambitious energy efficiency goals of the 2030 Challenge. Ten, 4-hour sessions offer strategies to reach 60% reduction in fossil fuel greenhouse gas emissions, giving design professionals the knowledge and leverage to create next-generation, super-efficient buildings and provide firms with the skills that will set them apart in the marketplace.

AIA Huron Valley has arranged for this year's AIA +2030 sessions to be held at Henry Ford Community College, Dearborn. Please view the full description and registration information [here](#).
