## TECHNICAL ARCHITECTURAL MODELER (REVIT)

We are currently seeking a Technical Architectural Modeler with substantial professional skills acquired from prior work experience and education. This person works with the Project Manager/Senior Associate in the development of concepts which are incorporated into a final product in conjunction with the work of other architects and technicians. This position is also responsible for developing technical construction documents in Revit and coordinating with consultants.

### SPECIFIC DUTIES AND RESPONSIBILITIES

- Work assignments are generated and checked by senior staff.
- Develop original technical solutions for assigned tasks.
- Capable of carrying out independent assignments with minimal supervision.
- Involved in communication with consultants.
- Involved in shop drawing review.
- Reports to the Project Manager in charge of the assigned project.

### QUALIFICATIONS

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

### EDUCATION AND/OR EXPERIENCE

- Bachelor of Architecture.
- 5-10 years of architectural experience, exhibiting strong detailing skills.
- 5 years minimum experience in Revit as primary modeler and in developing technical details.

### ESSENTIAL FUNCTIONS

- Strong verbal presentation skills.
- Review and coordinate design and construction documents.
- Works well under deadline pressure.
- Strong interpersonal skills.
- Proficient in design software including: Revit and AutoCAD.

### WORK ENVIRONMENT

- Work is performed in a typical office work environment sitting at a PC.
- Travel may be required.

JPRA is an Equal Opportunity Employer. This challenging position will provide the appropriate candidate with rewarding challenges, a professional teamwork environment, and an outstanding salary/benefit package, including paid overtime and bonus potential. To be considered for this position in an award-winning architectural firm, send your resume to [careers@jptra.com](mailto:careers@jptra.com). Please include a cover page with a summary of your skills along with your salary history and why you want to work for JPRA Architects.
