

Knowledge Community: Design for Aging

Who we are

The mission of the AIA Design for Aging (DFA) Knowledge Community is to foster design innovation and disseminate knowledge necessary to enhance the built environment and quality of life for an aging society. This includes relevant research on characteristics, planning and costs associated with innovative design for aging. In addition, DFA provides outcome data on the value of these design solutions and environments.

AIA Michigan Members:

Mrs. Shayna Bahlke, Assoc. AIA

Goudreau & Associates, Inc. Architects + Builders

Richard E. Baker, AIA

Baker Richard E. AIA

Mr. Patrick R. Barry, AIA

Neumann/Smith Architecture
