

WE WANT YOU!!!

WHO Are you an AIA Member, Associate, or Professional Affiliate?

WHAT ArchitectureTALKS wants you to share the story you are bursting to tell the world! ArchitectureTALKS brings together articulate design professionals to serve as ambassadors of architecture who present to the public at large!

WHEN At your convenience! Your talk is showcased on the AIAMI website and in marketing material put out by the AIAMI. We also send you our marketing materials to post on your social media profiles!

WHERE We will be reaching out to target organizations such as Chambers of Commerce, Rotary and City Clubs, Home Builders Associations, Facility Groups, Business Associations, and other organizations/groups with the need for speakers.

WHY This is your opportunity to demonstrate your unique knowledge in a specific area of architecture/design. Presenters can enhance their reputation by discussing issues in design, construction, history, really anything that they are passionate about and is design related. Your presentation will offer you a chance to spread a message about the importance of architects and develop new contacts across the state while being recognized as a leader in the Michigan design community.

HOW Join architectureTALKS today and create a talk for your passion!!! See reverse side for details. If you have any questions please reach out to the architectureTALKS team below!
