

CONTRACT DOCUMENT SALE

AIA Michigan wants to make sure that all of our customers are aware that numerous documents have been revised and updated with a 2007 edition. These new documents will be replacing their older counterparts, and beginning May 2009, the older versions will no longer be available for any projects on which you might be currently working.

As a result, AIA Michigan will be offering the limited supply we have of these documents listed below at a sale price. If you are currently using any of these documents, you may wish to take advantage of this opportunity to insure that you have an adequate supply throughout the project.

Contact AIA Michigan (313) 965-4100 for special pricing.
