Edition 11.1

Happy Monday!

I can't believe that it is already November! This year is flying by, especially with so much going on in the AIA and the architectural industry as a whole. Last week I traveled to Washington, D.C. to participate on the CACE Repositioning Work Group which is part of the Member Resource Task Force. The discussion centered around changes in how we distribute the revenue from AIA contract documents,

minimum standards for chapters and repositioning the institute. Some great work is being done and I will keep you updated of our progress!

AIA Statement of Purpose - The AIA is a visionary member organization providing advocacy, leadership, and resources for architects to design a better world.

My last update is an exciting one- you may now register for the AIA National Convention, (June 26-28, 2014 - Chicago, IL), using the AIA Michigan room block! The AIA Michigan hotel choice for the Convention is the Palmer House Hilton, a beautiful and historic hotel currently undergoing restoration. The Palmer House will certainly enhance to your Convention experience, so click [here](#) for registration instructions!

Have a great week and we hope to see you all at the Beaubien House for the Holiday Open House following the Board Transition Meeting on December 5th!

YAF's "Elevator Pitch" Livestreams this Thursday, Nov. 7th!

Hopefully many of you are familiar with the YAF and the bi-monthly publication, YAF Connection. They were recently named a winner of an AIA Emerging Professional Component Grant for their signature event, *Elevator Pitch*. This event entails (5) EPs "pitching" project ideas to a panel of seasoned professionals. Part of the funding has gone to broadcast the evening through Livestream. It would be of great benefit to see if Livestreaming events is a viable and worthwhile option.

View the presentation virtually on November 7th, from 6-8:30 PM (with opening remarks beginning at 6:45). Click [here](#) for the Livestream event page.
