We will post the results in our next newsletter.

Good Morning!

We had a packed Holiday Open House on Thursday and it was wonderful to see all of those who were able to attend. The "Oh, Can-nenbaum" project was a success and we have a beautiful tree made of cans that will be disassembled this week and donated to the Capuchin Soup Kitchen. Below are photos of the Open House and the "Oh, Can-nenbaum" project:

AIA MICHIGAN

Now that the holiday festivities have come and gone, I am looking forward to next month's events, especially the AIA Michigan Leadership Retreat. I will send you more information about this event in the coming weeks!

Upcoming Events:

January 25-27, 2013: AIA Michigan Leadership Retreat
March 7-8, 2013: AIA Michigan Health Facilities Seminar

Update! 2013 AIA Michigan Honor Awards Call for Entries - Extended Deadlines!

The Honor Awards are celebrated in June, but now is the time to submit your project! Many of the changes our membership has asked for will be enacted this year and the Award ceremony will be even bigger and better than previous years. Changes include opening our awards to every licensed architect across the state and the addition of three new awards: the Associate Member Award, the Student Project Award and the Unbuilt Project Award. Last Chance: MAF Survey of Architects' Book Collections

The MAF is conducting this survey to discover which books architects value most in their architectural book collections. This survey will be used to ascertain both your collection size and what you would consider the "must have" books about architecture. The end result will be a compiled list of up to 100 architectural books to be used as a pilot program to market architectural books to the public. This collection could be housed at one or more libraries in Michigan and would be available to all through the Michigan Electronic Library Catalogue.
