

AIA MICHIGAN & AGC of MICHIGAN

80TH ANNUAL MID SUMMER CONFERENCE

August 3-6, 2023

at the

Grand Hotel®

**MACKINAC ISLAND
MICHIGAN**

WELCOME !

Jeff Hausman, FAIA
Chair

Andrew Dunlap, AIA
Co-Chair

Welcome! It is great to have you join us for the 80th Mid Summer Conference on historic Mackinac Island, the premier location where architects, contractors and professional affiliates gather to immerse ourselves in learning, collaboration, socializing and reflection on our roles in the design and construction of the built environment. As continuing partners in this historic conference, AIA Michigan and AGC of Michigan believe it is now more important than ever to meet together to gain a greater understanding of the accelerating pace of change in our industry. This conference enables us to learn innovative ideas from the education programs and each other, form bonds for future collaborations and have time to socialize and get to know each other in the relaxed and fun environment of the Grand Hotel.

Our conference kicks off with the tradition of cocktails on the porch Thursday evening sponsored by The Belden Brick Sales Company. After dinner, we will head off to Shepler's dock for a special family night, a Moonlit Cruise under the Mackinac Bridge sponsored by DTE and Ideal Contracting. On Friday the informative and thought-provoking education sessions will include an economic update from the economists of the AIA and AGC. Then we will meet in the Tea Garden for a choice of Bocci or Bean Bag Toss, sponsored by Brick Tech Architectural. Friday evening's cocktail party, sponsored by Plante Moran, will be in the Tea Garden, where the champions of the Bocci and Bean Bag Toss Tournaments will be crowned. After dinner on Friday evening adults can join us for some country music at the newly renovated Jockey Club sponsored by Ainsworth Company.

On Saturday our education sessions will include the much-anticipated tour of cottages on the West Bluff sponsored by ULLICO Inc., Family of Companies. Afterward, some will head off to the Golf scramble sponsored by Barton Malow and the Brick Industry Association. For others there is time to ride a bike, take a walk, go horseback riding, lay by the pool, read a book on the porch, or explore Fort Mackinac. This year there are a few new things to try - pickle ball, exploring the nature center and playing mini-golf at "The Gem".

Saturday evening, we return to the porch for a reception sponsored by SMACNA Metropolitan Detroit Chapter and enjoy dinner in the hotel's dining room. To wrap up our time together, we'll enjoy an Afterglo, sponsored by Sachse Construction, by the pool, to sing and dance to karaoke.

Welcome to the conference. We look forward to meeting you on the porch.
